

BLUE SUNDAY

INTERNATIONAL DAY OF PRAYER

APRIL 26, 2026

Heavenly Father,

Today we come together with humble hearts on Blue Sunday, lifting up the children in our communities and across our nation.

We pray for every child who has experienced abuse, neglect, or harm. Surround them with Your love, comfort their hearts, and bring healing to their minds, bodies, and spirits. Restore their sense of safety and remind them that they are deeply valued and never alone.

Lord, we also pray for those who work to protect and rescue children—advocates, investigators, counselors, medical professionals, teachers, volunteers, and community leaders. Grant them wisdom, strength, compassion, and perseverance as they stand in the gap for the most vulnerable.

Help us as a community to be watchful, courageous, and willing to speak up for children who cannot speak for themselves. Open our eyes to the needs around us and guide us to create safe, loving environments where every child can grow, learn, and experience the joy of a happy and healthy childhood.

May Your light bring hope where there has been darkness, healing where there has been hurt, and protection for every child.

In Your name we pray,

Amen.

Heavenly Father,

On this Blue Sunday, we lift up the children in our communities and across our nation who have experienced abuse or neglect. Surround them with Your love, comfort their hearts, and bring healing and hope to their lives.

We pray for those who protect and rescue children—advocates, counselors, and all who stand in the gap. Give them strength, wisdom, and compassion as they work to keep children safe.

Lord, help us as a community to speak up, care for the vulnerable, and create safe, loving spaces for every child. May Your light shine where there has been darkness, bringing hope, healing, and protection.

In Jesus' name, Amen.
